WELCOME TO CONNECTIONS

Thank you for choosing our practice for your care. The staff of Connections would like to make your experience with our office pleasurable and efficient.

At your initial visit Dr. Kent, Mrs. Hamm, Mrs. Smith or Mrs. English they will perform an evaluation to assess for any underlying medical problems that may contribute to the problem your child is having. Following this evaluation, the provider arranges the appropriate evaluations with the other team members. Once all evaluations have been completed, you will have a Final Visit at which time information will be provided on how to best help your child as well as treatment options and/or recommendations.

Child CAN NOT BE SEEN without parent or legal guardian*
