

## MitraClip® Follow-Up Checklist

You will likely have several follow-up appointments with your MitraClip® team and your primary cardiologist. The one month and one year appointments are especially important for us to monitor your progress and the condition of your mitral valve.

### I MONTH POST MITRACLIP®

- MitraClip® coordinator      DATE AND TIME: \_\_\_\_\_
- Echocardiogram              DATE AND TIME: \_\_\_\_\_
- Labs                              DATE AND TIME: \_\_\_\_\_
